Establish a Social Innovation Evidence Development and Knowledge Sharing Initiative.

» To address the need to expand social R&D and improve sharing mechanisms, as Canada has fallen behind globally in evidence-based decision-making across sectors.
It’s not one solution...

It’s an ecosystem of approaches
The Challenges of Evidence

1. Knowing What Works
2. Trusting What Works
3. Using What Works
Be Like The Bamboo

The higher you grow, the deeper you bow.
